SUPERINTENDENT

MR.

HUGH A. BATEMAN

SUPERINTENDENT'S MESSAGE

Dear Students:

The program of education in the schools of Concordia Parish is designed to give our students the kind of learning experiences necessary to prepare them to become worthwhile members in our democratic society. For this reason, our schools offer a total program of education to all pupils who can profit by it. The program includes Health, Physical Education, Driver Education, Music, Business Education, Home Economics, College Preparatory, and a well-rounded variety of extra-curricular activities.

Sympathetic guidance and understanding has been our principle aim. However, we have dedicated ourselves to another principle, that of improving instruction and promoting the best in learning experiences for our youth.

Sincerely,

H. A. Bateman

PRINCIPAL

MR.

WALTER L. STAMPLEY

PRINCIPAL'S MESSAGE

Dear Students:

This has been a successful year for all of us at Vidalia High School. Our new school plant was completed in time for the opening of the school session '61-'62. The Citizens of this community should be congratulated for providing such excellent facilities for your growth and development.

We feel that our students are proud of their school and will strive to maintain the highest standards possible.

The faculty is interested in your happiness and success and will be willing to assist you at all times.

Sincerely,

W. L. Stampley
